

## Board of Equalization 00100.244.

### Mission Statement

---

The Board's goal is to provide impartial adjudication of appeals brought by property owners.

### Function

---

The Board of Equalization is an independent Board created to hear appeals on Assessor determinations and to equalize property. The department assists property owners with procedural information for those who wish to appeal the assessor's valuation placed on their real and personal property, as well as hear appeals regarding deferrals.

### Trends/Events

---

Clallam County taxable properties increased in value by over \$2,900,000,000 for the 2022 assessment year. The Assessor is predicting an increase in petitions because of the significant increases in this year's property values. Holding hearings and writing Board Orders are the two most labor intensive tasks for the BOE Coordinator.

### Goals

---

1. Create policies with the BOE members for Late Filing Requests by working with Department of Revenue. Having a policy in place will help the public when submitting petitions after the deadline.
2. Educate the public with the help of the Assessor's Office to better understand the BOE petition process.
