PRESS RELEASE

2027 Clallam County Parks and Recreation Comprehensive Master Plan- Opinion Survey

The Clallam County Parks, Fair, & Facilities Staff and Parks Advisory Board have commenced preparing an update for the 2016 edition of the Clallam County Parks and Recreation Comprehensive Master Plan. The update will guide the county's strategic park planning and management efforts through 2037.

A component of the effort is eliciting public feedback via the Public Opinion Survey early in the process. The survey, accessible through the link and QR Code below, will be active until Friday, October 3rd, 2025.

The county parks staff and advisory board will use the survey results to develop a presentation that shares crucial findings, explains how the results will be used, and catalyzes productive dialogue at several community events yet to be scheduled.

The entire Master Plan update process should be completed and adopted by late 2026. For more information or comments, contact the Parks, Fair, & Facilities and Parks Advisory Board at web_parks@clallamcountywa.gov or 360.417.2291
