

Sheriff - Animal Control 00100.813.

Mission Statement

The Clallam County Sheriff's Office has a proactive commitment to providing honest, ethical, and quality service to the community with integrity and professionalism. This commitment is focused on the improvement of quality of life for those we serve by delivering the highest possible standard of law enforcement services.

Function

The function of the Sheriff's Office Animal Control Section is to protect the health and safety of our citizens and visitors through active enforcement of the county ordinance and state animal laws, while protecting animals and promoting their humane treatment.

Trends/Events

Workload indicators over the past 3 years have remained steady. We have experienced a slight increase in animal abuse/neglect cases which are more laborious and complex. We have experienced an increase in suspects of animal abuse/neglect having underlying behavioral and mental health disorders. This year was particularly challenging due to a significant recurring issue with an animal hoarding situation. Center Valley Rescue has continued to be a trusted partner with assisting these complex cases.

Goals

- Continue to work in cooperation with the Olympic Peninsula Humane Society and all local animal
1. rescue organizations.
 2. Continue to educate the community on animal control issues and the Clallam County Sheriff's Office Animal Control Program.
 3. Continue to work with the Clallam County Emergency Management Division with implementation of a response plan to address the safety and evacuation of animals in times of disaster.
 4. Increase our west end animal control presence, with assessment of additional staffing or shelter needs, and resources available.
